

## Great show put on by Tawingo College

June 8, 2011

As two senior grandparents from Manitoulin Island, we'd like to take this opportunity to send a community bouquet your way.

On Wednesday, May 25, we journeyed to Huntsville to attend the annual Tawingo College spring drama production. It involves the entire student body and this year's presentation was The Wizard of Oz.

We enjoyed an absolutely outstanding evening in all areas — directing, sets, stage help, costumes and of course the acting and singing of the students.

We've had the pleasure of attending these productions for the past three years and they've all deserved praise. You have a hidden jewel in your midst!

Our point in writing you is to bring this event to your attention. Our hope is that, with your assistance, an awareness may be raised so that other community residents may enjoy the fantastic work being done at this little school by the lake.
